1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

2. Authorization for this examiner's amendment was given in a telephone interview with Mr. Vincent G. LoTempio on February 16, 2005.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance:

Claims 1 and 9 as amended contain allowable subject matter. None of the prior art of record taken alone or in combination thereof shows or fairly suggests the claimed subject matter. Specifically, the claimed U-shaped blade disposed at a right angle relative to the handle in combination with a head configured to perpendicularly extending outwardly from the handle and having L-shaped ends of the U-shaped blade molded into the head is not shown or made obvious by the prior art of record or any combination thereof.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
